### Letter of Endorsement

#### The Company

Pasubio S.p.A. is a family-run group of companies, which is perfectly integrated and closely-knit in the leather industry, producing luxurious leather for the automotive, marine, aviation, home interiors, fashion and luxury leather goods.

Established in 1966, the company's turnover is over €150 million, employing more than 200 employees: it's no coincidence that Pasubio is a market leader in the leather industry

#### Quality

On 15th February 1996, Pasubio was one of the first Italian leather producers to obtain ISO 9002 certification and was the first Italian company in the leather sector to obtain EAQF'94 automotive certification.

On 23rd February 1999, it obtained AVSQ '94 certification with addendum QS-9000. ISO TS 16949 certification was obtained on 22nd April 2002.

It employs approximately 280 people working in a covered area of 18,000m<sup>2</sup>. Its production capacity amounts to 6,000 hides/day over two work shifts.

#### Pecca Leather

We have established a strong business relationship with Pecca Leather Sdn Bhd, being their exclusive supplier for many years. Forging a closed and successful relation over the years.

We looked forward to a long and well established relationship going forward.
